Wixom Police & Fire Department Employment Application Personal History Statement

Personal History Statement Instructions

- 1. Familiarize yourself with this form and carefully read all instructions; you may find it helpful to review this form multiple times.
- 2. Any handwritten or typewritten PHS that is submitted with an employment application must be legible. Nonlegible PHSs will be rejected and, if discovered after the application deadline, will cause your employment application to also be rejected. This means that you will no longer be considered for the employment for which you have applied.
- 3. Be accurate when you enter the information that is requested. You must answer every single question to the best of your ability. Do not leave any questions unanswered or answer any questions incompletely. If a question does not apply to you, then enter "NA" (Not Applicable). If you cannot remember or obtain the information requested with reasonable diligence, then please indicate so in your response.
- 4. Any response to any question that is determined by reasonable belief to have a knowingly incomplete answer or to be deceitful by commission or omission shall be cause for an applicant's disqualification from further consideration for employment for which he/she has made an application.
- 5. You must complete the "Certification Section" on page 12.

The information that you provide in this Personal History Statement (PHS) will be used in the investigation of your background to assist in

determining your suitability for the public safety position for which you have applied.

You must fill-out the entire questionnaire completely, accurately and truthfully. Remember and keep in mind that:

- The entire completion of this form is mandatory.
- All answers made by you in your PHS will be verified.

It is to your advantage to respond fully and factually. Any perceived negative factor in your background will be evaluated in the context of the circumstances and facts surrounding its occurrence, and its degree of relevance to the job for which you are applying.

If you need more space to respond to a question, then the continuation sheet on Page 12 and identify the additional information with the question number. Carefully follow and complete each subsection according to the instructions that are provided.
